Aug 10, 2006 You do not have an . Microsoft Anti-Piracy Cd. Patch 2.1 Stronghold 2 Deluxe 1.3.1 Patch 1.3.1 En Sep 19, 2006 No, this is not true; I have held on to my copy (in pristine condition) since. You do not need a key in this case. . Aug 9, 2006 No, just the upper left corner is scratched. (Arrow in diagram is to the right of "2.1" and the arrow to the left is to the left of "1.3.1".) Never even thought I'd post a little video of my setup. Upgrade Patch 1.3.1 Crack Stronghold 2 v1.3.1 Patch Download Aug 8, 2006 The disc is in perfect condition and the sticker on the game box is still intact! It was an Origin. Download Stronghold 2 1.3.1 Patch Oct 27, 2005 The following is a fix for the game: Stronghold 2 Deluxe 1.3.1 Oct 24, 2005 Only the right corner of the disc is scratched. The image inside the disc is clear. I see the logo of the disc in the front. There are no scratches or anything on the disc. There is some glue on the image inside the disc. Jul 26, 2006 The disc has some damage on the label and it appears to be about the same as the other disc that I own (Stronghold 2 TD 3-disc set). Download Stronghold 2 - Deluxe Edition v1.3.1 - Patch/CD (German) Aug 2, 2006 They really don't have anything to do with each other. It's impossible for an error in 1.3.1 to cause problems with a patch. Dec 4, 2005 No, my game discs are in excellent condition. I have played and sold probably 20 games or more at stores, ebay, etc, with no problem with any game. The disc is perfect; it says "DELUXE EDITION" with "1.3.1" below it. There's even a sticker on the back of the case. There's no scratching or anything that could have caused damage to the surface of the discs. Nov 14, 2019 Ok, so the 1.3.1 patch is more or less a " f678ea9f9e
